

Golden Valley Water Well Levels Dropping
Golden Valley Current Population Now: 8,800
Increased by 10,000 to 50,000
Mohave County Plan.Dept. wants to approve
4,000-up-to-20,000 new homes in GV,
with several homes per acre, instead of GV
original 1-home-per 1.1 acre. Earlier this year
they did not approve this project, then recently
flip-flopped and approved it. Mohave County
Plan-Zoning **Admits They Violated Open
Meeting Regulations.** If this development is
approved, it can't be changed for 10-years in
this general plan. Also, **Kingman has drilled
(1) well already in Golden Valley and is
drilling a 2nd one.**

**Where is all this water going to come from
for double->triple+ the population?**
